At the annual awards organised by Asian Business Chamber of Commerce, **Unique Venues Birmingham (UVB)** was awarded the coveted 'Outstanding Hospitality & Events Services Award.'

The Asian Business Chamber of Commerce awards aim to celebrate diversity and inclusion in the business community, following the launch of the ABCC's 'Diversity on Boards' campaign.

Suzanna Reid Barreiro da Silva, Commercial Director, on receiving the award on behalf of UVB commented; "This is a great achievement and recognition of our hard work and the positive impact we are having on the region. This will provide UVB with a fabulous platform to raise the profile, provide new opportunities and achieve growth in the future.

"This also underpins our recent announcement to develop a partnership with the Monsoon Venue Group who are an exclusive venue and event management company managing the sales, marketing and delivery of all types of Asian occasions. This award aligns perfectly with our partnership and how we recognise the diversity of clients in the West Midlands looking to host their events at UVB.

"Such awards are a great recognition to the team behind the UVB brand and I would like to personally thank the UVB team for their hard work over the last 12 months and to the support we receive from The REP and The LoB departments. The joint venture from these two organisations which launched in October 2017, goes from strength to strength and it is great to see the UVB vision being recognised within the community as a leading venue."

Attending the Awards ceremony was Gary Birch, Premier Relationship Manager at Greater Birmingham Chambers of Commerce commenting on UVB's success has said; "In just over a year, Unique Venues Birmingham has established itself as an important and increasingly popular addition to the region's thriving hospitality and events scene.

"We held our President's Christmas Lunch for Premier and 1813 Club members there last year and a number of our members commented on how impressed they were by UVB's offering.

"So it is great to see Unique Venues Birmingham recognised by the Asian business community, with the Outstanding Hospitality and Events Services award at the Asian Business Chamber of Commerce's recent annual dinner."
